

PRINTING *that's perfect...*

Spectrum
Printers 

An ISO 9001 certified company

A company with a difference...

Spectrum started in 1999 as a proprietorship Company. It is a respected name in the printing industry. At Spectrum we are passionate about exceeding your expectations. We began our operations with a single-minded focus of delivering Value in the Print & Packaging sphere. And we have consistently delivered value to our esteemed clients ever since.

Quality is our first priority

Quality is of utmost importance. Everything else comes later. That's what keeps our clients happy. In fact, 90% of our clients keep coming back to us for more.

Speed is everything

Once you hand over your printing job to us, you don't have to worry about deadlines. We have the capability to execute the largest printing jobs in the short possible time-frames.

People are our power

A team of qualified and motivated people is on hand to execute your jobs. They have been trained to use technology and the latest software. In short, they will produce jobs that are on par with the best in the industry.

Infrastructure for Offset Printing

Our Company is structured with 1 Two Colour Offset Printing Machine, 2 Five Colour Offset Printing Machine. Apart from these we even possess Designing Unit, Screen Printing, Plate Making and Binding unit (Folding, Cutting, Perfect Binding, Punching, etc.).

Infrastructure for Large Format Printing

Our Company is equipped with 10 Feet Solvent Printer, 10 feet UV Roll to Roll Machine, 5 feet ECO Solvent EPSON Printer, Lamination Machine, Plotter Cutting machine and Laser Cutting Machine etc.

With innovative design concepts backed by advanced technology, we at Spectrum Printers offer our clients complete Signage and Display Solutions, including Large Format Print, Digital Signage and Point of Sale displays. From shop and retail designs to exhibitions and events we work with our clients every step of the way, providing cost effective, high end communication solutions with a focus on customer delight.

Our value offerings in the highly specialized fields of printing and branding includes digital printing, offset printing, large format printing, digital flatbed printing, digital flatbed textured printing, laser engraving, hot stamping / foiling, screen printing - all manufactured to exacting standards at our state-of-the-art facility at Turbhe, Navi Mumbai.
